Hi [REDACTED]

My apologies for the delay here. Just got back from some time off and catching up on emails. Are you still on schedule to list the pair today? Are individuals able to purchase XRP with fiat currency and/or other digital assets?

Looping in our XRP BD lead [REDACTED] (cc'd) and our lead PM [REDACTED] (cc'd) who can also provide some context here. As far as PR goes we unfortunately aren't able to make announcements for each individual exchange we list. However, you're able to make any announcements you'd like and we can help with providing exposure on some of our social media accounts (i.e. Twitter re-tweets). Once we see volume we can also discuss adding Exmo to the How to Buy XRP page.

Let me know your thoughts, and if you'd like to set up a call sometime to discuss in further details. Thanks!

Dear [REDACTED] hope you are well and thank you for the feedback  
As I've mentioned via linkedin [exmo.com](https://exmo.com) planning to list XRP on the 02 of October

Due to above mentioned we are interested in adding us as a partner for Individual Purchases where XRP is available (this page <https://ripple.com/xrp/buy-xrp/>)

The other issue is to publish the article, as a news something like "XRP is available on Exmo" or "Now you may buy XRP on Exmo.com" the article content we will send you previously for the confirmation from your side. Here <https://ripple.com/press-center/> in your press releases <http://joxi.ru/YmEGBKdhZ9n5bA>

Kindly asking you to check the possibility of this action and provide a feedback

Thank you in advance
